

Kellan Baker

3535 Bryant Ave S. Apt. 607 - Minneapolis, MN 55408 - 612.564.2254 - kellan.d.baker@gmail.com

OBJECTIVE

To obtain a career where I can utilize my knowledge of design, problem solving expertise, and time management skills.

EDUCATION

University of Minnesota, Twin Cities

2008

Bachelor of Science, Interior Design, College of Design

- GPA 3.61, Dean's List 4 semesters
- Honored with Delores Ginthner Lighting Scholarship

EXPERIENCE

Encompass Interiors

2011

Temporary Design Assistant

- Assisted design staff with senior living projects by selecting finishes, furniture, lighting, art, and window treatments
- Translated designs into working documents through Auto-CAD drafting, assembling contractor binders, presentation boards, and creating schedules

California Closets

2010-2011

Sales and Design Consultant

- Designed custom cabinetry for closets, pantries, offices, and storage areas with over 100 clients in their home
- Launched "California Closets Commercial" by interacting with design firms via presentations
- Worked with plan engineer to translate designs into production ready documents

Kate-Lo Tile and Stone

2010

Design Consultant

- Aided Kate-Lo clients with the selection of tile and stone for a large range of projects including residential remodels and new construction
- Educated clients about proper tile installation and maintenance techniques

Emphasis Lighting Group

2009

Junior Lighting Designer

- Collaborated with senior lighting designer to produce comprehensive lighting designs for 5 plus large scale casino and family entertainment attraction projects
- Managed all aspects of design progress including Auto-CAD drawings, fixture selection, control intent, and coordination of information to all involved parties
- Interacted with architects, designers, contractors, and product representatives to communicate issues, solve problems, and convey important information

Nelson

2007-2008

Design Intern/ Design Assistant

- Assisted staff of 15 plus designers on over 20 corporate design projects with selection of FF&E, materials and finishes, CAD drawings, and presentation boards
- Managed library of over 100,000 samples for easy designer access
